Special Condition # 15: You shall participate in a program of drug/alcohol abuse treatment, including urinalysis testing, as directed by the probation officer. Cost of the treatment and testing to be paid by the defendant and the government based upon the defendant's ability to pay.

Supporting Evidence: Mr. Bernal failed to report as directed for urinalysis testing on September 25, and October 2, 2014, in violation of special condition #15.

Mr. Bernal submitted to a urine test at the vendor site on October 13, 2014, as directed. The sample was sent to the laboratory for a full panel test. The report was returned from Sterling Reference Laboratories on October 16, 2014. The report revealed Mr. Bernal tested positive for methadone, an illegal controlled substance. The report also indicated the positive result was not consistent with Mr. Bernal's listed medications.

The U.S. Probation Office respectfully recommends the Court issue a summons requiring the offender to appear to answer to the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
